LANCASTER COURT.—There were only about 30 cattle on the market at Lancaster yesterday, prices ranging from 3 to 3 1/2 for heifers. Horses brought from \$50 to \$125. There were some mules on hand, but didn't sell. It was considered by many to be the dulllest court day in years.

Col. C. R. Anderson, of Danville, has sold to Lunsford Vandell his farm of 202 acres, three miles from town, for \$11,500 cash. Mr. Vandell now owns over 1,200 acres of land in Boyle county, and is perhaps the largest land owner in this section. He formerly lived in Louisville, but moved to Bufile about six years ago.

HYOMEL'S SUCCESS IN STANFORD.

Cured many serious cases of catarrh. Penny will refund money if it fails.

No other medicine or treatment for catarrh has ever achieved such quick and remarkable success in Stanford as Hyomel. The fact that Mr. Penny, when he first introduced Hyomel sold it under a positive guarantee to refund the money in case it did not cure contributed largely to its successful introduction. A guarantee from a firm like Penny gave people confidence at the start.

Those who obtained a Hyomel outfit found that the treatment did all that was claimed for it; that the first few breaths of Hyomel cleared the air passages and gave an exhilarating and invigorating effect. Its continued use freed the system from all catarrhal germs, soothed and healed the mucous membrane, and made a complete and lasting cure.

Compared with the dangerous stomach drugging that had been used heretofore in the treatment of catarrh, the balsamic air of Hyomel created a most favorable impression. And the medicine itself did even more than was claimed for it. In fact, to make a success, it was necessary that Hyomel should cure nearly every case of catarrh in which it was used, for every outfit was sold on a guarantee to refund the money in case it failed.

If it had not possessed unusual merit, an offer like this would have resulted in an enormous loss. But curing as it did, Hyomel soon gained an enviable reputation and made many friends who recommended it far and near. Its success here in Stanford has been remarkable, and Mr. Penny is still selling it on his personal guarantee to refund the money in case it does not give satisfaction.

**MATRIMONIAL.**

Lilburn Daugherty and Miss Nina Lay were married Friday.

William Absher and Miss Mary Pittman were married Sunday.

Philip Wagner and Miss Pronetia Poulter, both deaf and dumb, will be married at Danville to-morrow.

At Boone, N. Y., John Kelley, a youth of 19, was married to Mrs. Lula Hill, a widow with six living children, the youngest of whom is older than the groom.

A marriage which created quite a surprise among the friends and acquaintances of the contracting parties was that of Capt. W. E. Grubbs, of Shelby City, and Mrs. Kate Tuttle, of Junction City, which took place yesterday afternoon at Hustonville. Rev. George Mills officiating. The bride is the widow of the late Fleming Tuttle, and is well-known to Danville.—Advocate.

Galen Carmichael, aged 72, died in Casey county last week.

## MIDDLEBURG.

B. M. Edwards, of Celeste, visited relatives at this place last week.

It is rumored that there is going to be a wedding in our midst soon.

Misses Maud James and Jessie Coulter visited Miss Ruby Fogle at Georgetown last week.

Prof. Sherman Lawhorn, of Paris, who purchased M. N. C., will take possession the 1st of June. Prof. Lawhorn will probably build a dormitory in connection with the college.

Farmers of this section are plowing and replanting their corn. The wheat crop of this vicinity was supposed to be "froze out" but in the last few weeks it has grown surprisingly. There will be a first class crop.

Our bustling huckster, Geo. W. Dyer, was at Bethel Ridge Thursday. He purchased 2,000 dozen eggs last week. He is the busiest man on the road.

Persons having produce to sell will call or write him at this place.

Quite a number of young folks of Liberty attended the entertainment and contest at the college. J. C. Coulter, "Casey's stove king," was at Cumberland Falls last week. Col. H. H. McAninch is convalescing slowly. May, the little daughter of M. Jones, is very low with dropsy.

The contest that was given at the college Wednesday night was efficiently executed to the extreme delight of the audience. The prizes were awarded as follows: Wm. Sweeney 1st prize and Eddie Wesley second, as junior class. Miss Mary Bryant won first medal on best declamation and Miss Amelia Glass, second. The awarding committee was: Dr. J. S. Wesley, Miss Katherine Warren and Rev. J. B. Ferrell.

**Cured His Mother of Rheumatism.**

"My mother has been a sufferer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm, after a few applications she said it was the most wonderful pain reliever she had ever tried, in fact she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by W. N. Craig.

"Have you a good minister?" asked a summer visitor of a rural resident in New England.

"Waal, he would be, ef he warn't quite so graspin'."

"How does he show he graspin'?"

"Waal, last winter when we gave him a donation party an' carried him a lot of 'veg' tables and other truck, an' \$40 in money, he warn't willin' that the money should go on his salary."

"But I suppose he doesn't get a very large salary."

"Waal, purty fair—\$150 a year."

R. H. Plant, president of the I. C. Plant & Sons Bank and the First National Bank, which were closed at Macon, Ga., killed himself. He had been confined to his home by illness for several days. Unnoticed, he slipped away from his nurse, secured a revolver and shot himself through the head. He was found dead on the back porch of his residence.

**Rheumatic Pains Relieved.**

The prompt relief from the severe pains of rheumatism and rheumatoid is afforded by Chamberlain's Pain Balm is alone worth many times its cost. Mr. Willard O. Vale, of Poughkeepsie, N. Y., writes: "I am troubled with rheumatism and neuralgia of the nerves and Chamberlain's Pain Balm gives relief quicker than any liniment I have ever used." For sale by W. N. Craig.

S. W. Burke & Sons, of Junction City, have sold a half interest in their livery business to James Clarkston, of that place, and the business will hereafter be conducted in the firm name of Burke & Clarkston. Both Mr. Burke and Mr. Clarkston are energetic, enterprising business men, and the new firm will doubtless command a large patronage.—Advocate.

The Russian government has received confirmatory news of a successful sortie made by the forces of Gen. Stoessel against the Japanese at Port Arthur. It is claimed at St. Petersburg that the Japanese were defeated with the loss of 1,000 killed or wounded, while the Russian loss was 116 killed or wounded. Dispatches to London papers say the Russian cruiser Bogatyr, which was stranded on the rocks near the entrance to Vladivostok, was blown up to keep the vessel from falling into the hands of the Japanese. Other reports from the theatre of war tell only of minor skirmishes with varying results.

"Do It To Day"—The time-worn in junction, "Never put off 'til tomorrow what you can do to day," is now generally presented in this: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boecher's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

## Some "Hoss Sense."

Reasons why a tin roof, not a sheet iron, is the best roof made:

1st. It will last three times as long as the best shingle and will cost very little more.

2nd. It will conduct lightning as good as any lightning rod, if the gutter is connected to a tile, with down spout.

3rd. There is 50 per cent. less danger of fire and it will reduce the insurance enough to pay the difference between it and a cheap roof.

See S. H. Aldridge, the tinner and plumber, that does the work. Phone No. 116.

R. L. HUBBLE.

Of Lincoln county, is a candidate for the nomination for State Senator in this district, subject to the action of the Democratic party.

HON. G. GILBERT seems to have resorted to Col. Dan L. Moore's tactics of claiming. Having admitted that he was defeated if the committee did not rescind its action and call a primary, and the committee of course ignoring his demands, he is now trying to make up for lost time by claiming every county in the district, the earth and the fence enclosing it. A careful survey of the situation and a visit to several counties makes us absolutely sanguine of Mr. Helm's success in landing the nomination, the big claims made by Messrs. Gilbert and Moore to the contrary notwithstanding. The ovation given Mr. Helm at Mt. Vernon yesterday showed very clearly what the good county of Rockcastle is going to do for Lincoln's favored son.

THE Negroes of the Tenth Congressional district of Tennessee (Memphis) have issued a call for a national convention to nominate a Negro ticket for president and vice president. But what's the use of that? Teddy is acceptable to the Negro and there is no reason why they should turn him down. Put Booker Washington on for second place and the team should please the most fastidious colored "grammer."

AND now the Danville Advocate has taken the stand to testify against William Randolph Hearst's fitness as presidential timber. We thought the Mt. Vernon Signal had settled Mr. Hearst's bash for all time to come, but it seems that Brer Nefee thought it necessary for him to come in and help kill the New Yorker a little dead. Whose time is it next?

JO A. PARKER, chairman of the Populist National Committee, says that his party convention would probably be postponed until after the Democratic convention, in order that Hearst might be indicted should the Democrats name him. Mr. Parker says that Populists favor Hearst over any other man, and will support him solidly.

The great trotter, Bling, sold for \$32,000 at Readville, Mass.

## LANCASTER.

Mr. Henry Clay Jennings lies critically ill at his home on Richmond St. The first ice cream supper of the season was given by the W. C. T. U. ladies in the Rest Room Friday evening. A neat sum was realized but the evening was too cool to bring out a large crowd.

Mrs. John C. Taylor, of Lexington, who gave an organ recital here some weeks ago, will render the music for commencement Tuesday evening. She will be the guest of Mrs. McRoberts while here.

The Lancaster ball team defeated C. U. here Friday in a one-sided game. The home boys knocked two pitchers out of the box, the score being 26 to 5. The Lancaster Graded School team will play Harrodsburg Thursday at Nicholasville, in the Blue Grass Tournament.

The Graduates' Class Day program was held on Thursday afternoon in the college chapel. The members of the class acquitted themselves with credit. The audience was large and attentive and altogether it was one of the most delightful entertainments ever given in the chapel.

## POLITICAL.

George W. Coulter has announced for sheriff of Boyle. Clark Harrison will be his deputy if elected.

Supt. John W. Rawlings has announced for re-election as superintendent of schools of Boyle county.

The Illinois republican convention adjourned until a week from to day without nominating a candidate for governor.

Postmaster General Payne says that the receipts of the postoffice department for the fiscal year ending July 1 will approximate \$144,100,000.

The Democratic Congressional campaign managers are confident the next House will be Democratic. "Corruption and corruption" will be one of the issues the republicans will have to face.

Mayor Tom L. Johnson, in a speech before the Democratic Congressional convention at Cleveland, paid a high tribute to Joseph W. Folk, of Mississippi, and said he should be kept in mind by the Democrats at their coming National convention.

In this issue of the Casey County News, appears the announcement of Hon. R. L. Hubble, Democratic candidate for State Senator. We have no doubt as to the genuineness of his democracy and if republican recommendation is worth while to a "good democrat," we cheerfully ask the Casey Democracy to support him in his race.

## Allie Young Talks.

Judge Allie W. Young, of Mt. Sterling, and Congressman Kehoe, of Mayfield, met in this city to-day in a conference over the situation in Kentucky, especially the succession to the chairmanship of the State central committee. Judge Young said after the meeting:

"I have never stated to any one, as has been published from time to time, that I would be a candidate to succeed myself as chairman of the State committee, but I say now that I am not, nor shall I be, a candidate, and this is the first declaration I have made in that connection. My duties as Judge and private matters demand my full time and attention.

"Yes, I had a conference here to-day with Congressman Kehoe, and if he desires the chairmanship of the State committee, being a friend and neighbor, I will support him. It will be determined in a few days whether or not Mr. Kehoe will be a candidate. At any rate, there will be a candidate to test the chairmanship with Mr. McQuown. Yes, Mr. McQuown is understood to be the candidate of the State Administration."

Mr. Young declared that he was a part of the Hearst organization in Kentucky, and said he had no choice for presidential nominee.

He declared that published statements concerning his intention to be factional in recognizing contesting delegations to the State convention to be entirely false. He refused to forecast the action of the convention. Cincinnati dispatch to Courier Journal.

## EAGLE BIRD.

The mighty son of the great king eagle. Eagle Bird as a show stallion has but few equals. He won the \$500 stake at Lexington, Ky., defeating some of the greatest horses that Kentucky has ever produced. Eagle Bird as a sire of good colored, high finished horses, is not surpassed. His colts are in demand and are selling for high prices, either for business or breeding purposes. Will make the present season at the stable of his owner, two miles west of Stanford on the Shelby City pike at the low price of \$10 to insure a living colt. Parting with the mare forfeits the insurance.

JAS. H. WOODS, Stanford, Ky.

## NABOTH JR.

1st dam by Eagle Bird; 2nd dam by Red Lion; 3rd dam by Harris' Denmark, he by Miller's Denmark, 4th dam by Jim Bell, thoroughbred.

NOTE—Royal King was sired by the great On Time and is a brother to the great Silver King and Allie is, the great show mare that sold for \$1,000. King Eagle's 2nd dam is the dam of Minnie Lloyd, the great show mare that Matt Cohen won everywhere with in 1895 and sold for \$500.

King Eagle will make the present season at 1904 at my stable 2 1/2 miles west of Stanford on the Shelby City pike at the low price of \$10 to insure a living colt. Will also stand the great mare and Jennet Jack, Will also insure a living colt. ## DORSEY GOLDDUST 12052.

FULL BROTHER TO ESTELLE 2:19 1-4

## PRESTON, NO. 922.

This premium saddle stallion of the world will make the season of 1904 at the stable of J. C. Bailey, on Old Lancaster Street, in Stanford, Ky.

Preston is a brown horse, 12 years old, 15 1/2 hands high, a perfect model, with great style, action and speed.

Preston was sired by Washington No. 54, he by Cromwell No. 73, 1st dam Belle by Koderick, 2nd dam by a Denmark mare. Preston has shown against and defeated all the great show horses of Kentucky, such as Kentucky Artist, owned by J. T. Crenshaw, of Lexington, Ky., and Montgomery Chief, owned by Ball Bros. Why you should trade to Preston

1 Because he is the greatest show horse Kentucky ever produced

2 Because he is siring great show horses, such as Electra that was sold to Senator Vane for \$2,000; Rebecca, that sold at New York Exchange to George Watson for \$650; Miss Henrietta, owned by Gay Bros., that won more premiums in saddle and combined rings than any three-year-old out in 1903; a yearling colt sold to J. C. Cravins, of Illinois, for \$500.

3 Because he is the only saddle stallion that ever sired a team of harness geldings that sold for \$5,000

4 Because he won the championship of the Louisville Horse Show in 1903, shown by Matt S. Cohen, of Richmond, Ky.

5 Because he has won more money in the show ring than any other saddle stallion in Kentucky

6 I will be glad to show him to any one at my stable and invite those wishing to breed to a fine saddle stallion to see him before breeding. I will stand him at \$10 the season or \$15 to insure a living colt.

J. C. BAILEY, Stanford, Ky.

In speaking of the appellate judge's race the Mt. Vernon Signal says: "Judge M. C. Saufley, of Stanford, is a candidate for that honored position against Judge Cantrell, with fair prospects of winning the nomination. Judge Saufley is an able, conscientious judge and a brilliant lawyer; ripe in experience and scholarly attainments and it is greatly to be hoped that he will be a winner in the coming fight."

REV. GEO. O. BARNES is preaching to large crowds at Pineville. The court-house there was refused him but one of the churches was unhesitatingly tendered to him and he is using it. WHAT A BLUSH REALLY IS—A blush is a temporary erythema and caloric effluence of the physiognomy, actuated by one perceptiveness of the sensorium when in a predicament of equilibrium from a sense of shame, anger or other cause, eventuating in a paralysis of the vasomotor filaments of the facial capillaries, whereby, being divested of their elasticity they are suffused with a radiance emanating from an intimidated precordia.—Exchange.
